## TTT NAV RIDE – OCTOBER 19

As far as I know we had ZERO response from our request to members for team helpers. This is a sad considering the size of our club. ☹

We do have teams competing, they have managed to get family members to act as team helpers. Some riders are competing for the first time as a Yarrambat member, we wish them luck.

## HAVE YOU BEEN OUT AND ABOUT?

If you have been out anywhere competing please let me know and I would particularly love to see any photos. Email me at [unique.vic@bigpond.com](mailto:unique.vic@bigpond.com) – thanks Debbie

## PIC (PROPERTY IDENTIFICATION CODE)

These are now compulsory for all properties where livestock are kept. There is a reminder in the current Chaff Chat and all competition entry forms require you to enter the PIC of the property your horse will originate from and return to.

PIC's will be used for tracing stock movements in the event of any disease or bio threat – eg Equine Influenza.

To register with DEPI and get your PIC is free. For more details go to [www.depi.vic.gov.au](http://www.depi.vic.gov.au) or call the DEPI helpline on 1800 678 779

## NEW RIDING YEAR

You will have received your membership renewals in the mail.

Memberships end at the end of October at which time your insurance cover expires. To prevent any possible problems we request that you please complete and return your forms along with payment before the end of October.

Remember also that you need to have your membership cards stamped by our secretary Jo Jamieson to show that your membership is financial for the new financial year. You cannot compete unless you have this stamp so if you have entered coming events, make sure you remember to get your card stamped before you head off.

## YHPC – HORSE TRIALS

Don't forget to get your entry in for this if you want to ride and also put your name down to help out where possible.

## CLOSURE OF XC COURSE

The XC course will be closed from **midnight on 26th October to all users** in preparation for the Pony Club Horse Trials.

For riders entering the event, please check the rules for the period you must not ride on the course. The event is run under PCAV rules which I do not have handy to me at present. I am not sure if it is 21 or 28 days for PCAV – please check if you intended entering.

Please do not use the course until after the event.
